

Pray Together With CHRISTAR®

Join us in prayer for these needs from partners in the Great Commission.

For Field Workers

Praise God for six national church planters who are ministering among a minority people group in the Far East. Pray for wisdom for Christar workers in mentoring these local believers as they take the gospel to the least-reached in their homeland.

Pray that workers running businesses in least-reached communities will care for their employees in ways that compellingly demonstrate God's love.

Praise God for providing a new building for a school in Albania that meets the educational needs of many families serving cross culturally. Pray for wisdom for workers serving there as teachers as they help their students navigate the challenges of being third culture kids.

Lift up summer Bible camps being held in numerous Middle Eastern communities. Ask the Lord to bring children whose hearts are soft to the gospel and to use these outreaches to introduce entire families to Jesus.

Pray that those in Southeast Asia who've received MP4 players loaded with gospel-focused content will watch these videos, understand God's love for them and want to know more about the Bible.

For Partner Churches

Ask God to guide and provide for a Texas church seeking to plant 10 churches in the next decade: five in the U.S. and five overseas.

Lift up national churches that continue to minister to those impacted by last year's earthquakes in Türkiye and Syria. Ask God to work through them to demonstrate His compassion and draw many people to His love.

Ask the Lord to provide financially for Christar's partner churches, especially during the summer, when giving often drops.

Lift up a church in Missouri affirming a new senior pastor, a man who grew up in this church and served as its youth pastor for a number of years. Pray for grace as he transitions to this senior role.

As many Christar workers are on home assignment over the summer, pray that their sending and supporting churches will encourage, support and connect with them in meaningful ways.

For Missions-Minded Believers

Praise God for new workers who recently arrived in the Middle East! Pray for grace as they adjust to life on the field, and ask the Lord to bring people who are open to the gospel into their lives.

Lift up three young women who served as interns alongside a team seeking to reach North Africans in France. Pray for wisdom as each one considers her next steps in ministry.

Ask God to guide recent college graduates who are considering cross-cultural ministry. Pray they will have wisdom regarding their next steps and peace about their future.

Thank the Lord for a team of believers helping Christar workers in the U.S. hold a Vacation Bible School program for immigrant and refugee children. Ask that the boys and girls who participate will experience God's love through these volunteers.

Pray for a team planning to depart in late summer to minister among the Persian Deaf. Ask the Lord to prepare the hearts of people in their host community to receive the good news.

For the CMCUS*

Praise God for bringing Jim Capaldo to serve as the next director of Christar U.S. Pray for grace for him as he acclimates to this new role and wisdom as he leads us in this next chapter.

Pray for the Member Care team as they come alongside numerous workers on home assignment this summer, through both a RENEW debriefing retreat in July and one-on-one connections. Ask that each worker will be refreshed and encouraged as they connect with their support teams and set aside time for rest.

Praise God for the 16 new workers who participated in New Personnel Orientation in June. Pray they will be encouraged as they continue their pre-field training and build support teams.

Ask God to provide the remaining needed financial support for workers hoping to leave for the field over the next few months.

Continue to ask the Lord to provide a new treasurer for Christar U.S.
