Ask God to bring people in whose hearts He is already working to several concert outreaches in Southeast Asia.

Thank God for answering years of prayers for the Muslim-background husbands of a group of believing Albanian woman! All of these men are now attending church, and several have professed faith in Christ. Keep asking the Lord to work!

Pray for wisdom for workers in North America in discipling Kurdish believers and developing some to serve as leaders in a church plant.

Rejoice in two Japanese believers who publicly professed their faith through baptism. Pray both will use their gifts to build up and encourage the local church.

Praise God for a new church of Persian believers—an answer to a decade of prayer! Pray that it will flourish and for wisdom for Christar workers and their local partners in coming alongside this fellowship.

For Missions-Minded Believers

Join several Christar givers in praying that God will soften the hearts of family members who aren't walking with the Lord.

Lift up members of a Persian church who have been detained and questioned due to their faith in Christ. Pray for courage and peace for them and the entire congregation, and ask that this fellowship will grow in spite of persecution.

Thank God for the volunteers who gave their time and energy during our recent summit. Ask Him to bless and encourage them as they continue to serve in their churches and communities.

Pray for Central Asian believers being mentored for ministry by Christar workers. Ask God to use them to establish churches in their communities.

For the CMCUS*

Praise God for two encouraging days of collaboration at Summit: Unity Unleashed. Pray for wisdom as we consider how to continue to connect and resource those who participated, and ask God to work through ongoing partnership to mobilize the gospel to communities that don't yet have access to it.

Pray for God's provision as Christar seeks to raise nearly a million dollars that will enable us to innovate for greater global collaboration, create digital tools and training resources and implement infrastructure upgrades to serve partners, churches and field workers.

Lift up those getting ready to teach sessions at New Personnel Orientation (NPO) and Pre-Departure Orientation (PDO) in January, asking God to guide them in preparing content to equip new workers for cross-cultural life and ministry on Christar teams.

Ask God to raise up more Deaf believers to minister among the Deaf living amid least-reached communities.

Lift up four individuals planning to leave for their first terms of service soon. Ask God to provide the remainder of their needed financial support and prayer partners.
