

Join us in prayer for these needs from partners in the Great Commission.

For Cross-Cultural Workers

Ask the Lord to bring mothers who are open to the gospel to a new outreach for moms and preschoolers in a Muslim community in the United Kingdom. Pray that He will work through the love of His people and the Bible stories that are shared.

Praise God for a Persian Deaf church that is meeting regularly. Ask Him to encourage those who have professed faith in Christ to continue assembling for worship and fellowship and to draw the unbelievers who attend to Himself.

Join a team in North Africa in praying that five groups of people will begin studying the Bible together this year.

Ask God to provide more national believers to partner with cross-cultural workers seeking to establish a church in a least-reached South Asian community.

Praise the Lord for a partnership of believers dedicated to planting churches among the Roma in the Balkans. Ask Him to give them unity, guide them and use them to build the Body of Christ in this region.

For Partner Churches

Lift up a church in California commissioning new workers on March 2. Amid the joy of sending, church members also feel loss over the imminent departure of a couple that has actively ministered as part of this congregation. Pray this church will identify others who are being nudged by the Holy Spirit to fill ministry gaps.

Ask the Lord to guide churches in caring well for cross-cultural workers while they're on home assignment.

Pray for wisdom and gentleness for staff at partner churches who are helping their global workers through ministry and life transitions.

Praise God for churches in Kansas and Washington that are each becoming the new sending church for a Christar worker. Ask Him to enable these congregations to come alongside these workers with multifaceted support over the long term.

Lift up the staff at our partner churches who are preparing for spring and summer short-term trips.

For Missions-Minded Believers

Praise God for three families planning to join a team in Southeast Asia in the coming months. Pray for grace and endurance for them as they continue to build support teams and wrap things up in the United States.

Lift up a team of believers taking a vision trip to five cities in the Balkans to explore options for ministry among Muslims there. Ask the Lord to guide them regarding how they could use their gifts and experience to serve Him in this region.

Pray for wisdom for potential workers interested in reaching out to the Deaf in North Africa. Ask God to guide them regarding creative means of ministry.

Ask the Lord to raise up Yezidi believers as leaders who encourage others in the faith.

Pray for a short-term team planning to serve among the Deaf in the Middle East in June. Ask the Lord to prepare the hearts of the people with whom they'll interact and prepare them to encounter the gospel.

For the CMCUS*

Pray that a new Christar podcast, "Mobilizing the Gospel," will help listeners better understand the opportunities and challenges involved in establishing churches among the least-reached and equip them to participate in the Great Commission.

Praise God for new workers beginning to build their teams of prayer and financial supporters. Ask the Lord to encourage them and to prompt individuals and churches to come alongside them in ministry.

Ask for wisdom as our Church Partnership team comes alongside pastors and church missions leaders, seeking to help them send workers well and involve their congregations in God's global work.

Pray for grace for everyone involved as we transition to and implement a new payroll system.

Praise the Lord for the completion of the Virtual Missions Kit, in partnership with Switchboard and Pioneers. Pray that this resource will equip churches to involve more of their members in global missions through virtual volunteering.
