### Inner Circle Requests

Lift up two mobilizers who will be teaching and meeting with students at the IT Project, The Traveling Team's summer training program for college students, focused on God's heart for the world.

Pray for wisdom as numerous staff members begin working on an updated Christar website, especially during a three-day intensive planning consultation.

Pray for the member care staff preparing for the RENEW debriefing retreat at Lake Texoma, asking that all of the last-minute logistics will come together smoothly. Lift up the 18 field workers attending, as well as their children, asking that they will be encouraged and feel seen and supported.

Praise God for our accountant, who is retiring this month after 40 years of faithful service with Christar, first in South Asia and then in the CMCUS. Ask God to bless her richly as she steps into this new season!

Lift up our short-term coordinator as she connects with our field workers to determine what short-term opportunities we will offer in 2027. Pray for wisdom in planning opportunities that give participants a taste of ministry among the least-reached.\*

Praise the Lord for all who participated in New Personnel Orientation and Pre-Field Orientation in June. Pray for them as they continue to take steps toward full-time ministry in least-reached communities, and ask Him to provide their full support.

Ask the Lord to provide needed visas for new workers eager to leave for their first term of service. Pray for patience and peace for them as they wait on God's timing and guidance.

*\*least-reached: those without access to a church that proclaims the gospel in their language and in a way that's relevant in their culture.*
