Upcoming Events

Please pray for our staff on these key dates!

- August 10-15 – CMCUS mobilizers and pre-field coaches gather in person for training and collaboration

Inner Circle Requests

Pray for good collaboration as the mobilizers and pre-field coaches gather for training retreats. Lift up those teaching sessions, praying for wisdom as they prepare, and ask that these teams will have joy in learning together.

Praise the Lord for potential new workers who are considering coming to New Personnel Orientation in January. Pray for endurance in completing the application process, and ask God to guide them as they seek His direction.

Praise the Lord for bringing a new coach to our pre-field coaching team. Lift her up as she learns new processes and begins connecting with workers preparing for their first term of service.

Rejoice that several new workers left for the field in July! Ask the Lord to give them grace as they adjust to life on the field and to give them good connections with least-reached* people in their communities.

Ask the Lord to guide in assembling the Board Nominating Committee for 2027.

Praise God for providing two new mobilizers! Pray for a smooth onboarding process and lift them up as they begin serving, based in Texas and South Dakota.

Pray for wisdom for the Executive Team as they begin working on the budget for 2027.

Pray for wisdom for the Mobilization team as they seek to partner with the Church Engagement team to mobilize new workers more effectively within churches.

Ask God to give rest and renewal to each member of the Member Care team following a busy summer of debriefing workers on home assignment.

Pray for effective collaboration as we work on several major system updates, including an updated website.

Ask the Lord to work through mobilizers as they debrief returning short-termers and to guide each one who served over the summer regarding next steps in the Great Commission.

**least-reached: those without access to a church that proclaims the gospel in their language and in a way that's relevant in their culture.*
