

Pray Together With CHRISTAR®

Join us in prayer for these needs from partners in the Great Commission.

For Cross-Cultural Workers

Pray for wisdom for workers in Southeast Asia as they seek to form a business that will expand their opportunities to serve their community and provide jobs for local believers who've faced persecution.

Join workers in North Africa in asking God to bring two workers with passion and skill in children's ministry to join their team and help them serve more effectively.

Praise God for giving workers in numerous countries opportunities to share spiritual truth with Muslim friends during Ramadan. Pray that those who heard will want to know more about Jesus.

Ask God to raise up local believers to serve and lead within an Arabic church.

Pray for wisdom for workers seeking to minister among the Deaf in the Balkans. Ask the Lord to lead them to people who are open to the gospel and who will welcome them into the local Deaf community.

For Partner Churches

Lift up a church in New Jersey seeking to revitalize its focus on least-reached people. Pray for lasting impact in the congregation following a retreat in early April.

Praise God for sustaining a church in Indiana through difficulties and bringing them into a time of stability, trust and hope for the future. Ask God to work through three college students involved in the church's ministry.

Pray for a network of churches meeting in South Carolina with the goal of increasing their capacity to send workers to the nations. Pray for collaborative, helpful discussions with Christar and other like-minded agencies.

Pray for wisdom for a church in California that wants to plant a church locally. Ask God to give them the opportunity and capacity to carry out this vision.

Lift up a congregation in Oregon that is walking through a time of transition and growth. Ask the Lord to guide them as they navigate this season, as well as provide for them as they start a building project.

For Missions-Minded Believers

Lift up a couple in Southeast Asia running an orphanage without outside support. Ask God to supply their financial needs and bring people alongside them to help them.

Pray for courage and encouragement for teenage believers in Central Asia who are cut off from other followers of Jesus. Ask the Lord to provide sources of fellowship for them.

Ask God to protect believers living in areas of conflict in the Middle East and give them deep peace that draws others to Him.

Praise God for a group of local believers in Southeast Asia who recently completed a church-planting training taught by Christar workers. Pray they will be encouraged and emboldened as they apply what they learned.

Pray for those participating in Manarah, a two-week experiential training in understanding and sharing the gospel with Muslims. Ask God to use this program to equip them for effective ministry.

For the CMCUS*

Pray that the Lord will work through the Christar Church Engagement team to help local bodies of believers send workers well and involve their entire congregations in the Great Commission.

Praise God for more than a dozen individuals participating in short-term trips with Christar in May and June. Ask Him to provide the prayer and financial support that each one needs, and to use their experience serving alongside long-term workers to shape their ministry trajectories.

Pray for wisdom in preparing for June training programs for new workers.

Ask the Lord to provide a team to help our TCK coordinator serve workers' children well during our July RENEW debriefing retreat.

Ask God to raise up short-term coordinators who will partner with Christar workers around the world to help expand our short-term ministry program.
