Pray for wisdom for Member Care staff as they prepare for the March RENEW debriefing retreat.

Ask God to bring several additional workers to participate in RENEW. Especially pray that a family experiencing health concerns will be able to come.

Ask the Lord to provide helpers for the third-culture kid program during RENEW. Pray that through this ministry, workers' children would connect well with one another and gain tools to help them navigate the challenges of living away from their passport countries.

Praise God for two churches that are working toward hosting [Christar Church Ministry Residencies](#). Ask God to bring participants who are eager to develop their ministry skills and to use their time at these churches to prepare them for effective service in the future.

Ask God to guide the Communications division in creating a new piece that introduces readers to ways they can participate in ministry among the least-reached through Christar. Pray that through it, He will prompt many people to get involved for the first time or in a new way.

Pray for endurance and skill for the Finance team as they prepare for our annual audit while continuing to adapt to new programs and procedures.

Ask for wisdom in preparing for the spring [EXPLORE Christar](#) program, a long weekend experience designed to help participants discern their next steps in fulfilling the Great Commission.

Ask the Lord to use Church Engagement reps as they share in workshops and other settings, seeking to help congregations become more actively involved in missions.
