Inner Circle Requests

Praise God for many opportunities to participate in college campus events this month! Ask Him to give mobilizers good connections with students considering missions.

Lift up the staff members heading to the Missio Nexus convention, praying that each one will be encouraged and equipped in his or her area of ministry, as well as make good connections with others in similar roles.

Ask the Lord to work in powerful ways in the lives of those coming to Explore. Pray each person will come away with a clear next step in pursuing the Great Commission.

Pray as a staff member represents Christar's Deaf Initiative at upcoming conferences. Ask God to work through her to give others a vision for reaching the least-reached* Deaf and consider how they could be involved.

Praise the Lord with us that several new workers have raised all of their needed prayer and financial support and are preparing to leave for their first terms of service! Pray for grace and endurance as they attend to last-minute details and say goodbye to family and friends.

Pray for flexible minds as we implement a new budgeting tool that will help our organization more effectively track spending and plan for the future.

Pray for wisdom for the Church Engagement team as they come alongside churches seeking to increase their involvement in global missions.

Ask the Lord to send more new workers to participate in the January New Personnel Orientation.

**least-reached: those without access to a church that proclaims the gospel in their language and in a way that's relevant in their culture.*

Join us in prayer for these needs from partners in the Great Commission.

For Cross-Cultural Workers

Pray for endurance and flexible minds for workers learning difficult languages so they can clearly share the good news in least-reached communities.

Praise God for a family in Southeast Asia that trusted in Christ after encountering the gospel through an MP4 player loaded with gospel content. They've since shared the good news with others, and over 20 people in all have come to Christ in their village!

Ask the Lord to give cross-cultural workers and local believers wisdom as they reach young people in the Far East with the gospel in spite of opposition.

Lift up numerous English class outreaches in least-reached communities that are resuming for the fall. Ask God to bring students who are open to the gospel.

For Partner Churches

Pray that a missions summit held on September 26 will give each church that participates a clear vision for global outreach.

Lift up a relatively new church plant in Nebraska, about three years old, as it seeks to grow the congregation's missions vision and focus.

Praise God for a church that would like to send a team to the Middle East next year. Ask for discernment in light of ongoing conflict in this region and peace for all involved in making decisions.

Pray for wisdom for the leadership of a Pennsylvania church seeking to increase the congregation's awareness of missions, as well as for Christar staff partnering with them. Ask God to guide as they brainstorm about events and ways to work together.

Lift up a church in New Jersey as its leaders endeavor to give members a vision for reaching the nations and to involve them in supporting cross-cultural workers.

For Missions-Minded Believers

Praise God for believers who are partnering with Christar workers to reach out to a Kurdish community in the United States. Ask Him to work through their kindness and witness.

Pray for courage and peace for several believers who have been detained for sharing the gospel, and ask that they will be released.

Lift up a group of believers who recently visited workers serving among Muslims. Ask the Lord to use them to cultivate in others a heart for least-reached people.

Praise God for a group of believers coming alongside Christar workers in the U.S. in reaching out to Hindus in their community. Pray that many people will experience Christ's love through them and be drawn to Him.

Pray for three recent college graduates who visited the Middle East to explore ministry opportunities there. Ask God to guide them as they seek His leading.

For the CMCUS*

Ask God to continue working in the lives of those who served short term over the summer, guiding them regarding future ministry and making them bold witnesses where He's placed them in the present.

Pray for wisdom in preparing for the October RENEW debriefing retreat, asking that each worker who participates will be refreshed and equipped for ministry in difficult places.

Lift up mobilizers as they participate in fall missions conferences on college campuses. Pray that through them, students considering cross-cultural ministry will be encouraged, and ask the Lord to lead some to serve among the least-reached.

Ask God to bring recent graduates seeking hands-on ministry experience to participate in Christar's Church Ministry Residencies. Pray that many will be equipped for effective service, whether in the United States or overseas.

Praise God for everyone coming to Explore, a long weekend experience for those exploring their role in the Great Commission! Ask Him to use this time to help participants discern their next steps.
